March 2020

Dear Member,

### **Annual General Meeting – 31<sup>st</sup> March 2020**

Further to the invitation we sent to you last month, and taking into account the recent developments in the UK in respect of the Coronavirus, we have made some changes for the running of this year's AGM.

Your wellbeing remains an absolute priority. The Government's advice on social distancing means we have made the decision to **conduct the meeting remotely via a conferencing application called Zoom.**

You will have the option to either connect using your computer/mobile video, computer/mobile audio or dialling into the meeting by landline phone or mobile phone using the instructions provided in the enclosed revised AGM Agenda.

This is our chance to report back to you as a Board, to hear your views and to gain your approval on such matters as new board members and a proposal from the Board that we should pay a dividend.

If you have any questions about the event then please contact our office to ask.

With best wishes

Bindu Varkey  
**Chair, Oxfordshire Credit Union**
