Payroll Saving Schemes Gaining in Popularity

Hot on the heels **University College Oxford** starting their Payroll Savings scheme, a second college has enquired about a similar scheme for their staff.

University College Oxford joins Oxford University Hospitals; Oxford City Council; Oxford Bus; Response; Guenther Truesdale Bakeries and South & Vale Council as employers that enable their staff to save through a monthly deduction from payroll.

Payroll deduction for staff costs employers virtually nothing to provide yet is of tremendous benefit to staff who then have ready access to low cost credit while they continue to build their savings.

Second Wave of Child Benefit Loan Top Ups Starting Soon

At the end of June and into July the second wave of £250 Child Benefit Loan top ups will be considered.

Only members who last topped up their loan 3 months ago are eligible to take a further top up loan of £250.

We expect a bit of a rush so please do not apply until the 3 months is up.
